

SEPTEMBER 2025 INDIAN LAKE ESTATES NEWSLETTER

Well, Labor Day is here and summer is drawing to a close. Hoping soon we get a break from the heat!

As shared last month, our new management company, RealManage, took over administrative areas and payroll. Beginning October 1, they will assume all operations. We appreciate the partnership. Kudos to all of our ILE staff who have worked tremendously hard in this transition.

Beware of Facebook posts - there have been many inaccuracies posted and speculation. The management company did not fire any employees. There were two employees that failed background checks and they were not able to be offered a position. ILE always required a drug test and background check and for some reason there was a lapse in background checks being done here. For factual information, reach out to any board member. Our contact information is in this newsletter.

The bike racks were installed at the school bus stops, which is a nice addition to the community.

We have identified parcels to be utilized for the community garden and we are now waiting for the attorney to draw up the appropriate paperwork and cover any liability issues.

We were able to secure lower bids for some of the paving which gave us additional funding to add a couple of more streets to the paving plan. This information was shared at the Board of Directors meeting. We are looking for volunteers to be on the roads committee for paving plans for next year. Contact Frank Miller if interested.

The maintenance crew is in the process of clearing the emergency exit at Ponce de Leon. Obviously it's critical that we have a clear path should that exit need to be utilized in an emergency. Additionally, we are quoting emergency exit signs to be posted throughout the community.

The board is looking into having a deputy sheriff patrol our community on Friday and Saturday evenings to curb any potential issues.

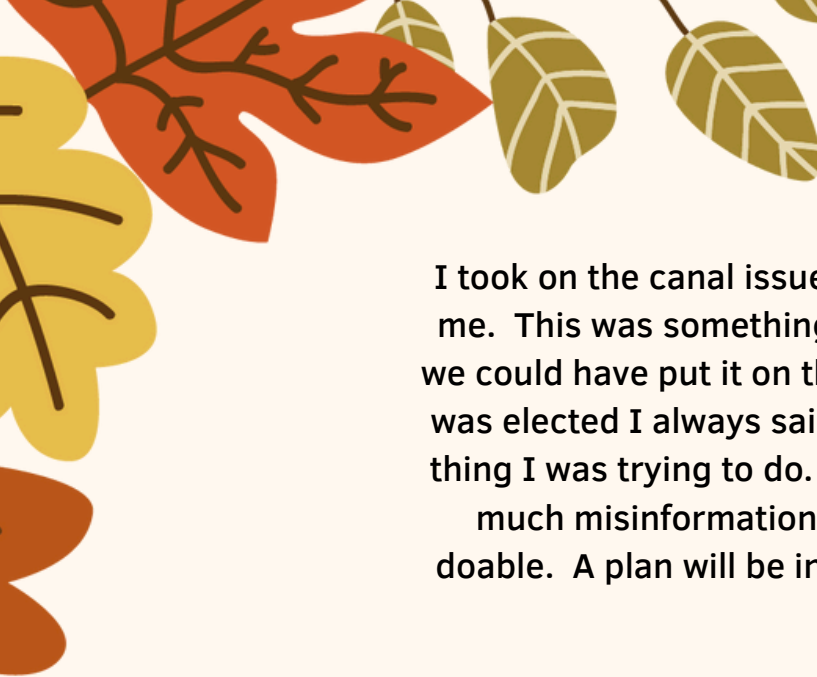

We are continuing to pursue legal avenues and the possibility of creating an independent special district which will allow us to collect maintenance fees via taxes. We are planning to meet with local government officials soon to discuss.

We have the attorney looking into the possibility of us, amending the rules regarding Airbnb and short term rentals. Once we have the information it will be shared with the community for a vote should we decide to pursue.

A reminder that this month's workshop and regular board meeting will be on the same night with the workshop being held at 6 PM and the board meeting at 7 PM.

Thanks to all the residents of our great community and I hope to see you around.

To ILE Members,

I took on the canal issues because multiple people had reached out to me. This was something that the BoD always had the right to change, we could have put it on the agenda discussed it and voted on it. When I was elected I always said I wanted community input, that was the only thing I was trying to do. I had a plan, I was working on it. However, too much misinformation and hostility on Facebook has made this not doable. A plan will be introduced to the BoD in September and we will vote on it.

I have done lots of research, I have spoken to other sprayers, I have learned a lot.

The good, great news is we will have 3 seats open for the board for 2026, 3 year terms. I hope many of you run to make the changes you want.

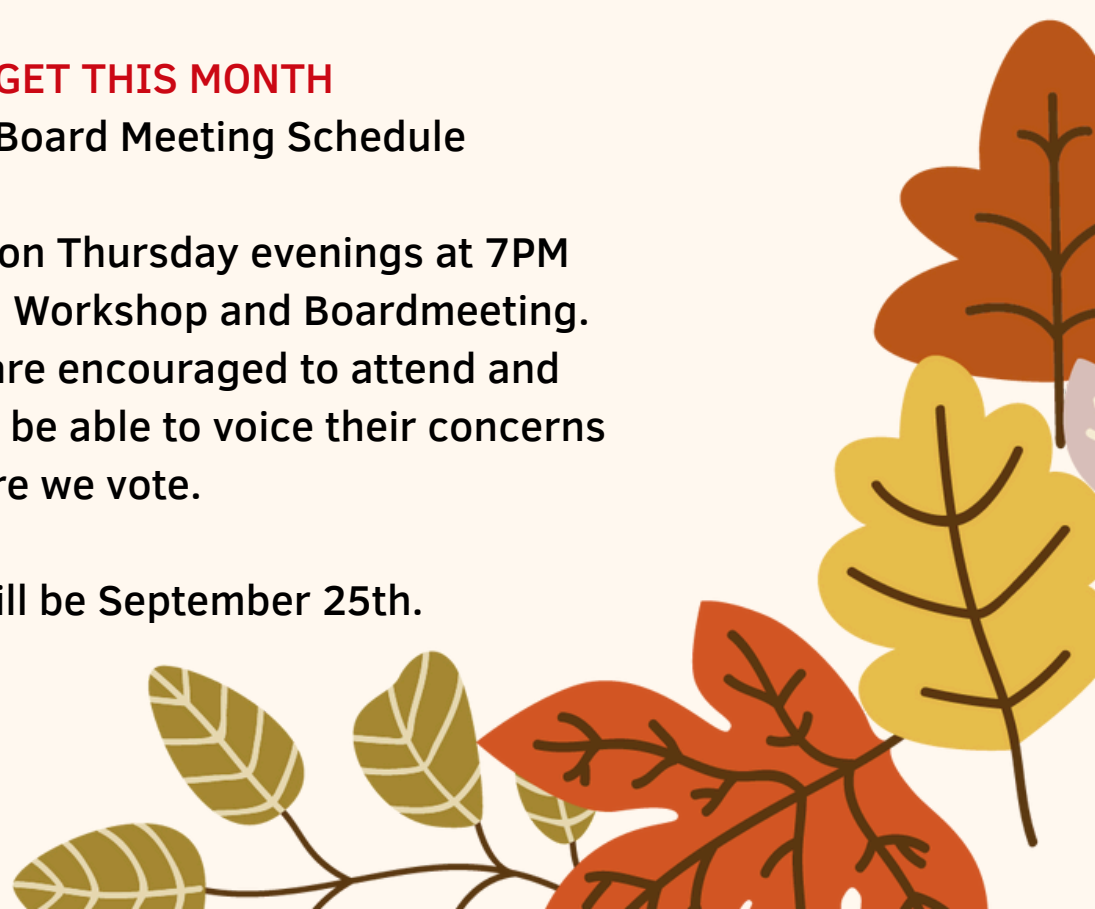

Rebecca Watson
Board of Directors

DON'T FORGET THIS MONTH

We start the New Board Meeting Schedule

Board Meetings will be on Thursday evenings at 7PM
We will have a combined Workshop and Board meeting.
Community members are encouraged to attend and participate. Members will be able to voice their concerns before we vote.

Next meeting will be September 25th.

REMEMBER: "SEE SOMETHING, SAY SOMETHING"

September Birthstone

• Blue Sapphire •

In ancient Greece, royals were convinced that **blue sapphires** protected their owners from envy and harm. During the Middle Ages, people thought the gem attracted heavenly blessings. Others instilled sapphires with the power to guard chastity, make peace between enemies, influence spirits, and reveal the secrets of oracles.

September

The September birth flowers are the aster and morning glory which have a meaning of love, wisdom, faith and innocence.

All Events/Activity Coordinators need to reach out to the office at adminasst@ilefl.com to confirm dates, and any forms needs for the new year.

October 8 November 12

December 10

Dec. 10 Annual meeting/Elections

To our ILEU customers:

Our backup pump (pump #2) failed several weeks ago. The cost of repair was close to \$37,000 and we had a little over \$30,000 in reserves.

Given the short fall, you will notice a one time \$30 assessment on the next utility bill to cover the shortage and replenish the reserves with a few thousand dollars. We appreciate your understanding as this is a necessary step to keep us solvent.

We want to thank Juan Lopez for all his contributions to the ILE board and as president of the ILEU board. Juan tendered his resignation a couple of weeks ago and Troy McIntyre was voted in as president and Mike Darrow recently joined the board as vice president. Mike has extensive experience in municipality water management.

GOLF NEWS

Greetings

The Dog Days of Summer have arrived, and the rain has been pouring down, sometimes flooding the ponds. But the good news is that we're still on track to meet our Golf Operating Budget. However, the course is closing more often due to the high water levels. I'm excited to work with Real Manage, our Business Manager, and the Board of Directors to address these issues in the future. The conversation between Roger Edward's team and Real Manage has been very positive.

ILE Library News

SEPTEMBER 2025

ILE Library Newsletter

Shhhhh....

Your librarians need your help! As you know, the I.L.E.'s second annual Mystery Dinner is September 20th, but it seems as though a whodunit has started up in I.L.E. library too. We received a peculiar note on the door that stated the library will be taken over in the month of September by an enigmatic Mr. E.

These perplexing notes state that Mr. E. loves crimes, mysteries, whodunnits and puzzles. You can expect that some of the books in our library are suspects in crime with Mr. E. To find out Mr. E.'s real identity, you must first find out where Mr. E. resides. For the month of September, you will be able to find puzzles, riddles and suspects that will lead you to Mr. E.'s identity. With every clue, you could be a step closer to cracking the case wide open. Each week you will find the riddles by going to Indian Lakes's official website (IndianLakeEstatesInc.com) or Facebook's (Indian Lake and Surrounding Community News). Remember detective, to have a sharp eye for detail; call it your spectacular vision. Collect all the clues and put them together to solve the true identity of Mr. E. before the end of September. If you need a clue, some will be provided for you in the library window or in the window of Nosh, so be ready to find those breadcrumbs that will lead you to Mr. E.'s lair.

And if an agent asks you where you were between 5 & 6 – Tell them... Kindergarten.

Furthermore, our librarians knows that detectives, like yourself, love to unwind with a good mystery novel – it's like professional development. So, to help you foster your creative juices our mystery books, that are currently for sale, will be 50 cents in the month of September. A real steal for sure.

Do you, or someone you know wants to be part of our private detectives by volunteering at the I.L.E. library? Please contact us with your dossier. If you know a sleuth that does volunteer, don't keep it a "cloak and dagger" mission. Thank them for all their arduous diligence as they may need an alibi for later. Our contact information is Library@ilefl.com
